

April 11 - June 13

(no class 4/28 & 5/30)

Sundays • 12:30–3:00 pm

Open to beginners aged 9 to 14 with no pottery experience as well as to those who have attended prior classes for young potters. Students get solid grounding in pottery fundamentals. They are taught how to center a mound of clay on the potter's wheel and how to throw, trim and glaze their pots. All learn how to make cups, bowls and other simple forms and to refine their skills.

Classes are two-and-a-half hours long and are held at our studio in Adams Morgan. A potter's wheel is available for each student. We reserve the right to cancel a session if enrollment does not reach a minimum of five students. Maximum class size is 10.

There is a \$70.00 cancellation fee if registration is cancelled at least three weeks before the session begins; no refunds are given after that date. If a session is full or is cancelled, a full refund will be made. There are no refunds for absences.

Students should dress in clothes they don't mind getting dirty, trim their fingernails short, tie back long hair, and bring an old towel for wiping their hands.

The fee for the 8 classes is \$280. Cost of clay, use of tools and equipment, glazes and firing are included in the fee. Full payment is required at registration.

To register: Call Hinckley Pottery at 202-745-7055 or send an email to info@hinckleypottery.com.
